

A True Story

Neal was falsely  
charged with the  
murder of Donald  
Collins

# Problem

- Suspects are pressure to admit due to biased interrogation and threats
- People's rights can be violated
- Without anyone recognizing the problem and intervening in time.

# POLICE OFFICER

OFFICER

**Jiaqi Yang**

BADGE / ID NUMBER

**87452**

# User Interface Live Demonstration

Live Interrogation Monitor

# Reason for implementation

- Higher accountability & credibility for police departments

# Voice

ElevenLabs Scribe v2

Eleven Flash v2.5

# ElevenLabs

# Reasoning

## NVIDIA Nemotron 3.5 Lightning

# Limitation

- Accuracy -> human decision
- Sensitive information

# What did we learn?

- Vibe Coding
- Collaboration through GitHub
- Developing and testing a usable product

# Credit

- Codex and Cursor for implementing the detailed plan and frameworks we decided
- ChatGPT image for creating the scenes
